

# Briar Ridge

To Our Valued Customers

Currently we are monitoring and keeping updated on COVID-19.

The health and safety of our visitors and staff is something that we take seriously. Here is our approach to reducing the spread of COVID-19 in our world that awaits off the beaten track.

- Something we keep top of mind is the cleaning of surfaces in our Cellar Door – this will continue.
- All tastings will be conducted using our ‘Briar Ridge Picnic Tumblers’ (yours to take with you!) we will not be using glassware with any of our wine tastings for the moment.
- We ask that you consider paying with card instead of cash.
- Hand sanitizer and hand washing facilities will remain to be well stocked and available to all customers and Briar Ridge team members.
- We have asked that any of our team members who are displaying flu like symptoms no matter how mild to stay at home and quarantine, we strongly advise you do to. Let’s all do our bit to stop the spread of COVID-19.

Our main priority is for all of us, our valued customers and our team to feel as safe as you’ve always felt when setting your map to Mount View despite what’s going on.

We appreciate your understanding and support during these times.

The Briar Ridge Team

- End -
