2019 Tempranillo Shiraz

VINTAGE

Vintage 2019 was an excellent year for the Hunter Valley. Another extremely dry year saw ideal ripening for reds without any extreme heat. The reds are standouts with concentrated fruit flavours, perfectly ripe tannins and finely balanced acidity. 2019 will be a vintage spoken about for many years to come.

VINEYARD

The Shiraz portion of this blend was sourced from our estate grown vineyards in the Hunter Valley and Orange. The combination of savoury structure and cool climate acidity work to balance the juicy fruitfulness of our Hunter Valley Tempranillo.

WINEMAKING

The individual fruit parcels were harvested once flavour ripe and fermented on skins in static fermenters. Once alcoholic and malolactic fermentation was complete the wines were pressed off skins to stainless steel tanks to retain the fresh florals and juicy mid palate fruit. The parcels were then blended, lightly fined and bottled. This wine is a fresh, modern take on red wine with floral notes, spicy pepper and packed full of juicy fruit.

TASTING NOTES

Our 2019 Tempranillo Shiraz is made in the traditional Spanish 'joven' style, this wine has no new oak allowing the focus to be the bright juicy palate and crunchy acidity.

CELLARING

Released young this delicious wine is made in a drink now style to enjoy the vibrant fruit.
